AFTER THE SALE IN ARKANSAS

[] Seller: print the buyer's name in the assignment section on the back of the title; seller and buyer sign and print their names. If the title's control number is below 3003001 or it is an out-of-state title, this separate bill of sale and an odometer statement must go with it.

[] Buyer: title and register the vehicle at a State Revenue Office within 60 calendar days, with proof of county assessment, paid personal property taxes and insurance. Late penalties: \$3 per 10 days and 10% of the sales tax.

[] Buyer: check your sales tax bracket for a used vehicle (Act 1013): no sales tax under \$4,000; 3.5% state rate from \$4,000 to \$9,999 (local tax is not reduced in this bracket); 6.5% from \$10,000. Texarkana residents: confirm your rate with a State Revenue Office.

[] Seller buying another vehicle: keep this signed bill of sale. A private sale can earn a sales tax credit on your next vehicle (60 days per the DFA registration page; 45 days per 26 CAR 30-702: stay within 45 to be safe).

The Arkansas DFA asks for a fully completed odometer statement signed by both buyer and seller for vehicles less than 20 years old. The DFA's own Form 10-313 combines bill of sale and odometer statement.
