AFTER THE SALE IN GEORGIA

[] Seller: complete and sign the assignment on the back of the original title, with the buyer's name filled in. Never hand over a title assigned in blank: in Georgia that is a misdemeanor for whoever delivers or accepts it (fine up to \$100 or up to 30 days).

[] Seller: cancel your registration, online with DRIVES e-Services or with Form MV-18J at the County Tag Office. Ask the County Tag Office what to do with your license plate.

[] Buyer: title and register the vehicle within 7 days of the purchase date at the County Tag Office in your county, with Form MV-1, the signed title, proof of insurance and your ID. If the vehicle requires a title, Title Ad Valorem Tax (TAVT) is 7.0% of the vehicle's fair market value from the state assessment manual, not of the price on this bill of sale.

Non-titled vehicles and trailers are not subject to TAVT. Penalties: \$10 for a title application after 30 days, and 10% of the TAVT after day 30 plus 1% a month.

Georgia's official bill of sale (Form T-7) is needed when the vehicle is model year 1985 or older and does not require a title. Under federal rules (49 CFR 580.17), model year 2010 and older vehicles are exempt from odometer disclosure, and model year 2011 and newer vehicles are exempt once they are 20 model years old: write "exempt" in the odometer field.
