AFTER THE SALE IN IOWA

[] Seller: sign the back of the title, print the buyer's name and address and the date of sale, and complete the odometer and damage disclosure statements. Give the buyer the title at the time of sale.

[] Seller: remove your license plates and keep them. If you buy another vehicle within 30 days they can go on it; otherwise turn them in to the county treasurer. Optional: file form 411107, Notice of Sale of Vehicle and Delivery of Title.

[] Buyer: transfer the title at a county treasurer's office within 30 days of the purchase. Iowa charges a fee for new registration of \$10 plus 5% of the purchase price (Iowa Code 321.105A).

Iowa requires odometer disclosure for model year 2011 or newer vehicles transferred from December 31, 2020 through December 31, 2030. It is normally completed in the assignment area of the title.
