AFTER THE SALE IN OREGON

[] Seller: sign and date the back of the title (or Oregon DMV's Vehicle Bill of Sale, form 735-501, when required).

[] Seller: notify Oregon DMV of the sale within 10 days (ORS 803.112), online through DMV2U, including the buyer's name and address.

[] Buyer: apply for title within 30 days of the purchase date, or you may have to pay a late title transfer fee. If the seller's name is not on the title, get a bill of sale from them.

Federal odometer disclosure for most vehicles is made on the title itself. Fill in this bill of sale too, so both of you keep a record of the mileage.
